Explore All

Road Map

1- Continued Foodstuff Supply with Tengo Brand (Until End of 2024):

- Maintain and strengthen relationships with manufacturers for consistent foodstuff supply under the Tengo brand.
- Focus on quality control, distribution efficiency, and customer satisfaction to enhance the brand reputation.

2- Brand Name Registration in Dubai (Completed by Beginning of 2025):

- Work on finalizing the brand name registration process in Dubai to establish a legal presence and protection for the Tengo brand.

3- Establishment of Packaging Line in DIP (Planned for 2025):

- Develop a detailed business plan for setting up the packaging line in Dubai Investments Park (DIP) by 2025.
- Research and secure necessary permits, licenses, and approvals for establishing the packaging facility.
- Identify suitable locations, facilities, and equipment for the packaging line operation.
- Hire and train staff for packaging operations, ensuring compliance with local regulations and quality standards.

Road Map

4- Importation of Raw Materials from Iran:

- Establish reliable supply chains for importing raw materials from trusted resources in Iran.

5- Packaging Process in the UAE:

- Develop packaging designs and materials that align with branding strategies and regulatory requirements.
- Implement efficient packaging processes to ensure product integrity, safety, and traceability.
- Explore sustainable packaging options to minimize environmental impact and meet market demands.

6- Export and Branding Strategies:

- Leverage the UAE's strategic location and reputation for trade to expand export opportunities for Tengo branded products.
- Develop marketing and branding strategies to promote Tengo products in international markets, highlighting the UAE origin and quality standards.
- Collaborate with distributors, retailers, and trade partners to penetrate target markets and increase brand visibility and recognition.

**OUR
PRODUCTS**

2024 PowerPoint Presentation

SAFFRON

Our premium saffron adds a touch of luxury and vibrant color to your dishes

Super Negin:

- ✓ High-quality with thick, long threads
- ✓ deep red color
- ✓ highly potent and fragrant

Sargol:

- ✓ All-red saffron threads
- ✓ slightly shorter than Super Negin
- ✓ strong aroma and color

Pushal:

- ✓ Contains both red stigma and some yellow style
- ✓ less pure but more affordable

Bunch:

- ✓ Includes whole saffron flowers
- ✓ both red stigmas and yellow styles
- ✓ used for less intense flavor and aroma

TOMATO PASTE

Tomato paste is a concentrated form of tomatoes that is widely used in cooking to add flavor, color, and thickness to various dishes.
